Acqualina Resort and Spa's Very Own *Proposal Concierge* Makes Dreams Come True

From a Classic Rose Petal Turndown to a Sand-Enscribed Dedication

Sunny Isles, Fla. – Acqualina Resort & Spa on the Beach, South Florida's quintessential resort for unforgettable beachside weddings and proposals, is pleased to introduce Tatiana Echeverri, the resort's dedicated *Proposal Concierge*. With the job requirement of making dreams come true, Echeverri serves as a mentor in executing the marriage proposal of a lifetime.

Located on 4.5 stunning acres of breathtaking coastline, Acqualina is a spectacular property infused with romance and old-world European elegance, providing the perfect backdrop for special occasions of any kind. Echeverri's extensive knowledge of the resort and experience with proposals has provided her with a unique niche in the proposal arena.

"My main goal is to make sure Acqualina is known as Florida's premier romantic escape for getting down on one knee and asking those four, life-altering words," says Echeverri. "I always try to come up with new ideas to make each and every proposal as unique and memorable as possible."

Nestled between the Intracoastal Waterway and the Atlantic Ocean, the resort's Mediterranean-inspired 51-story tower features 97 lavish guest rooms and suites, which are perfect for carrying out a traditional, post-dinner proposal with a Veuve Clicquot and rose petal turndown. For more ambitious proposals with additional surprise and extravagance, Echeverri is prepared to flawlessly execute a memorable occasion.

Echeverri is available for every guest, and can be called hours or even months ahead of time to make all the arrangements. Past requests have entailed dropping a four-carat diamond ring into a cosmopolitan, inserting a ring into a piece of cake and arranging for a "will you marry me?" to be scrolled in the sand and outlined with votive candles during a beach-side dinner. Echeverri once even had her team follow a female guest

around the hotel with cards and roses, eventually leading her to a beachside table for two topped off with a proposal.

After a fairy-tale evening, Echeverri is happy to send the newly engaged couple to the 20,000-square-foot ESPA at Acqualina for his and her spa treatments, water sports on the beach, one of the award-winning golf courses, or famous shopping at Bal Harbour, which are all just minutes away.
