AQ CHOP HOUSE BY IL MULINO IS A MODERN STEAKHOUSE WITH STUNNING OCEAN VIEWS. —ALEJANDRA TORRES

Expect a five-star experience when visiting Acqualina Resort & Spa. The rooms are luxe, the massages are divine, and the restaurants are exceptional. At **AQ Chop House by Il Mulino**, chef Michele Maza's menu combines the resort's Mediterranean heritage with top-notch ingredients. Every meal should start with the sheep's milk ricotta and branzino crudo. As for the meats, you can't go wrong with the bone-in ribeye. And then good luck deciding on sides, which include broccoli rabe and truffle fries but also old-school favorites like cream of corn. You'll probably order too much, but that's okay. Take a deep breath and find room for dessert because you won't want to miss the Torta Della Nonna. 17875 Collins Ave., Sunny Isles Beach, 305.918.8000, acqualinaresort.com.
